

University of Wisconsin-Madison
Department of Psychiatry
6001 Research Park Blvd
Madison, WI 53719

Tel: (608) 263-1679
Fax: (608) 263-9340
Email: mrkoenigs@wisc.edu
Web: <http://koenigslab.psychiatry.wisc.edu/>

EMPLOYMENT

- Professor of Psychiatry, University of Wisconsin-Madison, 2020-present
- Associate Professor of Psychiatry, University of Wisconsin-Madison, 2014-2020
- Assistant Professor of Psychiatry, University of Wisconsin-Madison, 2008-2014

EDUCATION and TRAINING

- Postdoctoral research fellow, National Institutes of Health (NINDS), 2006-2008
- Ph.D., Neuroscience, University of Iowa, 2002-2006
- B.S., Neurobiology, University of Wisconsin-Madison, 1998-2002

AWARDS

- Community University Partnership Award, University of Wisconsin-Madison Morgridge Center for Public Service (2025)
- Finalist, Society of Biological Psychiatry Ziskind-Somerfeld Research Award (2016)
- NIMH Mentored Research Scientist Development Award (2009)
- D.C. Priestestersbach Outstanding Dissertation Prize (2007)
- National Science Foundation Graduate Research Fellowship (2004-2006)
- Walter R. Ingram Award for Superior Achievement in Medical Neuroscience (2003)

ORIGINAL RESEARCH ARTICLES

76. Nguyen V, Russ R, Davis F, Oleson M, Ritacco R, Cottingham D, Español M, Hicks A, McKinney D, and Koenigs M (in press) The importance of lived experience in improving higher education in prison: Insights from a community advisory board. *Metropolitan Universities*.

RESEARCH FUNDING

- R34 MH132663 (Koenigs, Michael – PI) NIMH 2/12/2024-12/31/2026
Pilot effectiveness trial of an ACT self-help workbook tailored specifically for prisons
Role: Principal Investigator
- ICTR Clinical & Community Outcomes (Koenigs, Michael – PI) 6/1/2023-2/28/2024
Peer-led trauma therapy for re-entry
Role: Principal Investigator
- Reilly-Baldwin Wisconsin Idea Grant (Koenigs, Michael – PI) 3/1/2024-6/30/2025
Peer-led trauma therapy for re-entry
Role: Principal Investigator
- ICTR Collaborative Health Equity Research Award (Grupe, Dan – PI) 7/1/2023-6/30/2024
Community-engaged adaptation of a well-being intervention to support successful reentry following incarceration
Role: Co-Investigator/Mentor
- Wisconsin Idea Collaboration Grant (Koenigs, Michael – PI) 1/31/2023-6/30/2025
Development of a peer support program for re-entry
Role: Principal Investigator
- Reilly-Baldwin Wisconsin Idea Grant (Grupe, Dan – PI) 7/1/2023-6/30/2024
Supporting the well-being and professional development of incarcerated peer specialists
Role: Co-Investigator

- EACB-26499 (Koenigs, Michael – PI) PCORI 2/1/2023-1/31/2025
Building capacity for PCOR/CER for mental healthcare in the prison setting
Role: Principal Investigator
- R01 NS126742 (Kiehl, Kent; Koenigs, Michael – MPI) NINDS 8/4/2022-5/31/2027
A longitudinal study of traumatic brain injury in a high-risk population
Role: Principal Investigator (MPI)
- UW ICTR-CAP SPER award (Koenigs, Michael – PI) 4/1/2021-3/31/2022
Engaging stakeholders to develop a meditation intervention for incarcerated individuals
Role: Principal Investigator
- R34 MH118319 (Koenigs, Michael – PI) NIMH 4/6/2020-3/31/2022
PTSD Psychotherapy for Prison Inmates: Feasibility and Pilot Study
Role: Principal Investigator
- Wisconsin Partnership Program (Koenigs, Michael – PI) 1/1/2020-12/31/2022
Post-Traumatic Stress Disorder (PTSD) Therapy for Wisconsin Prison Inmates
Role: Principal Investigator
- R01 HD082257 (Kiehl, Kent; Caldwell, Michael – MPI) NICHD 5/1/2019-4/30/2021
Brain Changes and Outcomes Accompanying Evidence-Based Treatment in High-Risk Youth
Role: Subaward Principal Investigator
- R01 MH101162 (Harenski, Carla – PI) NIMH 10/1/2019-11/30/2022
Socioemotional Processing and Aggression
Role: Subaward Principal Investigator
- UW2020 WARF Discovery Initiative Award (Koenigs, Michael – PI) 5/1/2019-4/30/2021
PTSD Psychotherapy for Prison Inmates: Feasibility and Pilot Study
Role: Principal Investigator
- R01 AA02690 (Kiehl, Kent; Koenigs, Michael – MPI) NIAAA 7/1/2018-4/30/2023
Mindfulness for Alcohol Abusing Offenders: Mechanisms and Outcomes
Role: Principal Investigator (MPI)
- R21 MH108753 (Cisler, Joshua – PI) NIMH 3/7/2017-12/31/2017
Dopamine Enhancement of Fear Extinction in PTSD
Role: Co-Investigator
- R01 MH109329 (Decety, Jean; Kiehl, Kent – MPI) NIMH 6/20/2016-2/28/2021

Socioemotional Processing in Female Offenders
Role: Subaward Principal Investigator

- R01 MH101162 (Koenigs, Michael – PI) NIMH 6/1/2014-1/31/2022
Prefrontal Control of Negative Affect: A Novel Lesion/fMRI Approach
Role: Principal Investigator
- K01 MH086787 (Koenigs, Michael – PI) NIMH 7/4/2009-6/30/2013
The Role of Prefrontal Cortex in Emotion Regulation
Role: Principal Investigator

INVITED TALKS

International

- “Cognitive Processing Therapy in the prison setting” October 2025, Inaugural CPT Summit, virtual with attendees worldwide
- “Comorbidity of psychopathy and post-traumatic stress disorder” May 2025, Malaga, Aggression and Violent Behavior Conference, Spain (declined)
- “Neuroeconomics in the clinic and courtroom” November 2019, University College London, London, United Kingdom
- “Neuroeconomics in the clinic and courtroom” June 2019, Dusseldorf Symposium on Decision Neuroscience, Dusseldorf, Germany
- “Neuroeconomics in the clinic and courtroom” June 2019, Neurex Workshop on Neuroeconomics, Strasbourg, France (declined)
- “The neuroscience of psychopathy” January 2019, University of Salzburg Centre for Cognitive Neuroscience, Salzburg, Austria (declined)
- “Neuroeconomics in the clinic and courtroom” October 2017, Organization for Economic Cooperation and Development (OECD), Paris, France
- “The neurobiology of antisocial and amoral behavior: Insights from brain science and implications for law” June 2014, European University Institute, Florence, Italy
- “The neuropsychology of moral judgment: Evidence from brain lesion patients and psychopathic criminals” November 2013, Universidad Nacional de Colombia, Bogota, Colombia

National

- “Best of Both Worlds: A Community-Academic Partnership Addressing Mental Health and Incarceration” FIRE Collective 2024 Convening, November 2024, New Orleans, LA
- “Best of Both Worlds: A Community-Academic Partnership Addressing Mental Health and Incarceration” Chicago Beyond’s National Justice Convening, October 2024, Chicago, IL
- “From cognitive neuroscience to community engagement” October 2023, Keynote speaker, University of Iowa Department of Neurology Retreat, Iowa City, IA

- “From cognitive neuroscience to community engagement” August 2022, Featured speaker, University of South Dakota Center for Brain and Behavior Research (CBBRe) annual symposium, Vermillion, SD
- “Neuroeconomics in the clinic and courtroom” November 2020, Keynote speaker, University of Iowa Neuroscience Research Day, Iowa City, IA
- “Revising neurocircuitry models of mood and anxiety disorders based on evidence from brain lesion patients and psychopathic criminals” April 2018, Laureate Institute for Brain Research (LIBR), Tulsa, OK
- “Brain imaging research on violence and aggression: Possibilities and pitfalls for criminal justice” November 2016, St. Louis University, School of Law, St. Louis, MO
- “Revising neurocircuitry models of mood and anxiety disorders based on evidence from brain lesion patients and psychopathic criminals” March 2016, Wake Forest University, Department of Psychiatry, Winston-Salem, NC
- “Revising neurocircuitry models of mood and anxiety disorders based on evidence from brain lesion patients and psychopathic criminals” November 2015, Loyola University, Department of Neuroscience Colloquium, Chicago, IL
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesion patients and psychopathic criminals” September 2014, University of Iowa, Neuroscience Graduate Program, Iowa City, IA
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesion patients and psychopathic criminals” April 2013, Vanderbilt University, Joel G. Hardman Student-Invited Forum, Nashville, TN
- “The neurobiology of psychopathy: Insights from brain imaging and implications for law” March 2013, University of Southern California, Gould School of Law, Los Angeles, CA
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesion patients and psychopathic criminals” March 2013, Mind Research Network/University of New Mexico, Albuquerque, NM
- “The neurobiology of violence: State of the science, risk assessment tools, and treatment perspectives” December 2012, ASTAR/Department of Justice Judge Training Program, Seattle, WA
- “The neurobiology of violence: State of the science, risk assessment tools, and treatment perspectives” October 2012, John Marshall Law School, ASTAR/Department of Justice Judge Training Program, Chicago, IL
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesion patients and psychopathic criminals” June 2012, Icahn Medical Institute, Mt. Sinai School of Medicine, New York, NY
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions” May 2011, Sackler Institute, Weill Medical College of Cornell University, New York, NY
- “The neurobiology of psychopathy: A link to vmPFC?” July 2010, University of Iowa, Department of Neurology, Iowa City, IA
- “Emotion and consciousness,” July 2008, Summer Institute in Cognitive Neuroscience, University of California-Santa Barbara, Sage Center, Lake Tahoe, NV

- “What human lesion studies reveal about the neuroanatomical basis of mood and anxiety disorders,” February 2008, Vanderbilt University, Department of Psychology, Nashville, TN
- “Brain science and morality,” November 2007, Smithsonian Associates, Washington DC

State/Local

- “Addressing trauma and mental health in correctional facilities and the community: Strategies for treatment and support” 2025 Wisconsin Department of Corrections Conference, April 2025, Madison WI
- “Peer-supported trauma therapy for formerly incarcerated people” 2025 Wisconsin Peer Recovery Conference, April 2025, Wisconsin Dells WI
- “Recruitment through relationship: Lessons learned from a community-academic research partnership” UW ICTR TEACH-Recruitment Science Seminar Series, December 2024, Madison WI
- Panel, Fathers in Focus Conference, University of Wisconsin-Madison Division of Extension, October 2024, Madison WI
- “Best of both worlds: A community-academic partnership addressing mental health and incarceration” UW Professional Research Education Program (PREP), October 2024, Madison WI
- “Post-traumatic stress disorder therapy for Wisconsin prisons” UW SMPH Partnership Education and Research Committee, April 2024, Madison WI
- “Best of both worlds: A community-academic partnership addressing mental health and incarceration” UW ICTR Dissemination and Implementation Science Seminar, January 2024, Madison WI
- “Improving mental healthcare in the prison setting through community-academic partnership” October 2023, Badger Talks, Nakoma Country Club, Madison WI
- “The effectiveness of peer support services during incarceration” July 2023, United States Deputy Wardens Association Annual Conference, Green Bay WI
- “The effectiveness of higher education in prisons: A mixed-methods, stakeholder-engaged approach” April 2023, Prison Education Symposium, Marquette University, Milwaukee, WI
- “Inside the psychopathic mind: What brain science is revealing about criminal behavior” February 2023, Neenah Club, Neenah, WI
- Panelist for Nehemiah Reentry Lunch & Learn Series – Seeing Inside: Mental Health in Prisons, September 2022, Madison, WI
- “Psychopathy and trauma: Clinical and research perspectives” November 2020, Tri-State Undergraduate Psychology Conference, Platteville, WI
- “Psychopathic personality in criminal offenders: Clinical and research perspectives” March 2019, Wisconsin Batterers’ Treatment Provider Association Annual Conference, Madison, WI
- “The association between witnessing domestic violence in childhood and psychopathic traits in adulthood” November 2017, Lunch and Learn Workshop, Dane County District

Attorney's Office, Madison, WI

- "Inside the psychopathic mind: What brain science is revealing about criminal behavior" November 2017, University of Wisconsin-Fond du Lac, Psychology Awareness Week, Fond du Lac, WI
- "Inside the psychopathic mind: What brain science is revealing about criminal behavior" November 2017, Arrowhead High School Psychology Club, Hartland, WI
- "Inside the psychopathic mind: What brain science is revealing about criminal behavior" November 2017, University of Wisconsin-Parkside, Science Night/Wisconsin Science Festival, Kenosha, WI
- "Inside the psychopathic mind: What brain science is revealing about criminal behavior" November 2016, Undergraduate Neuroscience Society, Madison, WI
- "The neurobiological basis of violence" September 2016, Wisconsin Psychiatric Association, Milwaukee, WI
- "UW-DOC collaborative prison research project: Updates and advances" June 2016, Department of Corrections Psychology Workshop, Mendota Mental Health Institute, Madison, WI
- "Revising neurocircuitry models of mood and anxiety disorders" June 2016, Clinical Psychology Summer Institute, Pyle Center, Madison, WI
- "The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions and psychopathic criminals" February 2016, Undergraduate Neuroscience Society, Madison, WI
- "The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions and psychopathic criminals" January 2016, Psi Chi National Honor Society in Psychology, Madison, WI
- "Revising neurocircuitry models of mood and anxiety disorders based on evidence from brain lesion patients and psychopathic criminals" April 2015, Wisconsin Symposium on Emotion, Madison, WI
- "The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions and psychopathic criminals" October 2014, Psi Chi National Honor Society in Psychology, Madison, WI
- "The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions and psychopathic criminals" November 2013, Undergraduate Neuroscience Society, Madison, WI
- "Inside the psychopathic mind: What brain science is revealing about criminal behavior" November 2013, Women in Science and Engineering (WISE) Seminar Series, Madison, WI
- "The neurobiology of guilt: Evidence from brain lesion patients and psychopathic criminals" October 2013, A.W. Mellon Workshop on Guilt, University of Wisconsin Center for the Humanities, Madison, WI
- "The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions and psychopathic criminals" October 2013, Health Occupations Students of America, Madison, WI
- "The role of prefrontal cortex in emotion and social behavior: Evidence from brain

lesions and psychopathic criminals” February 2013, Wednesday at Washburn Lecture for Honors Student Organization, Madison, WI.

- “Inside the psychopathic mind: What brain science is revealing about criminal behavior” February 2013, University Roundtable, Madison, WI
- “The neurobiology of psychopathy: Insights from brain imaging and implications for law” October 2012, Neuroscience & Public Policy Seminar Series, Madison, WI
- “The neurobiology of psychopathy and antisocial behavior” August 2012, State Bar of Wisconsin, Madison, WI
- “How the brain makes up the mind: The biology of personality and decision-making” February 2012, Wisconsin Alumni Association-UW Showcase Series, Capitol Lakes Retirement Community, Madison, WI
- “Crime and mental illness: A neurobiological perspective” December 2011, Evidence-Based Health Policy Project: Policy Innovations in Mental Health and Corrections, Wisconsin State Capitol, Madison, WI
- “How the brain makes up the mind: The biology of personality and decision-making” September 2011, Discovery!Thursdays seminar series, Madison Public Library, Madison, WI
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions” March 2011, Medical College of Wisconsin Department of Neurology, Milwaukee, WI
- “How the brain makes up the mind: The biology of personality and decision-making” March 2011, W.M. Keck Laboratory for Biological Imaging lecture series, Madison, WI
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions” March 2011, University of Wisconsin-Milwaukee neuroscience colloquium, Department of Psychology, Milwaukee, WI
- “How the brain makes up the mind: The biology of personality and decision-making” January 2011, Chaos and Complex Systems seminar series, University of Wisconsin-Madison, Department of Physics, Madison, WI
- “How the brain makes up the mind: The biology of personality and decision-making” November 2010, Wednesday Nite @ the Lab lecture series, Wisconsin Alumni Association, Madison, WI
- “The role of prefrontal cortex in emotion and social behavior: Evidence from brain lesions” August 2010, 5th Biennial Neuroscience Research Symposium, BioPharmaceutical Technology Center Institute, Madison, WI
- “The neurobiology of psychopathy,” July 2010, State of Wisconsin Department of Corrections Psychopathy Workshop, Mendota Mental Health Institute, Madison, WI
- “A brief tour of the brain: Anatomy of perception, thought, and action” May 2010/2015, Brain Tumor Updates and Advances Conference, University of Wisconsin-Madison, Department of Neurological Surgery, Madison, WI
- “The lesion method in cognitive neuroscience: Effects of prefrontal damage on emotion and social behavior,” October 2008, University of Wisconsin-Madison, Department of Communicative Disorders, Madison, WI
- “What Human Lesion Studies Reveal About the Neuroanatomical Basis of Mood and

Anxiety Disorders,” January 2008, University of Wisconsin-Madison, Department of Psychiatry, Madison, WI

TEACHING

- Guest lecture, Psychology 711: Proseminar in Emotion (Fall 2024)
- Guest lecture, Counseling Psychology 601: Best Practices in Community-Engaged Scholarship (Fall 2024)
- Guest lecture, Psychology 601: Issues in Prisoner Reentry (Fall 2022, Fall 2023, Spring 2024, Fall 2024)
- Field supervisor, Social Work 400: Field Practice and Integrative Seminar (Fall 2024)
- Guest lecture/mentor, Medicine 809: Intersection of Health Care and Incarceration (Spring 2023/2024)
- Guest lecture, Psychology 704: Proseminar in Clinical Psychology (Spring 2024)
- Guest lecture, Curriculum and Instruction 375: Incarceration & Education (Spring 2023)
- Guest lecture, Psychology 202: Introduction to Psychology (Spring 2023/2024) (at Oakhill Correctional Institution through Odyssey Beyond Bars)
- Guest lecture, Psychiatry Residency Seminar: Traumatic brain injury (Spring 2013-present)
- Guest lecture, Psychology 526: The Criminal Mind: Forensic and Psychobiological Perspectives (Fall/Spring 2014-2022)
- Guest lecture, Psychology 741: Clinical II: Assessment, Etiology, and Treatment (Fall 2019/2022)
- Guest lecture, Human Development & Family Studies 766: Incarceration & Family (Spring 2022)
- Guest lecture, Psychology 621: Graduate Research Seminar (Spring 2018-2020)
- Guest lecture, Psychiatry Residency Seminar: Neurobiology of depression (Fall 2012-2020)
- Guest lecture, Psychiatry Residency Seminar: Neuroimaging of mood and anxiety disorders (Spring 2011-2020)
- Course Director, Neuroscience 500: Undergraduate Neurobiology Seminar (Fall/Spring 2011-2019)
- Course Director, Neuroscience 660: Neuroscience & Public Policy Seminar (Fall/Spring 2017-2019)
- Guest lecture, Neuroscience 500: Undergraduate Neurobiology Seminar (Spring/Fall 2009-2019)
- Guest lecture, Neuroscience 675: Functional Neuroimaging and Clinical Applications (Fall 2008-2018)
- Guest lecture, Legal Studies/Sociology 131: Criminal Justice in America (Fall 2018)
- Lab Co-Instructor, Neuroscience 611: Systems Neuroscience (Spring 2009-2016)
- Lab Co-Instructor, Neuroscience 524: Neurobiology II: An Introduction to Brain and Behavior (Spring 2009-2016)
- Guest lecture, Medical Sciences 622-731: Neurobiology & Anatomy of the Head and

Neck (Spring 2013-2016)

- Course Director, Psychology 711: Affective Neuroscience (Spring 2016)
- Guest lecture, Comparative Literature 500: Guilt (Spring 2016)
- Guest lecture, Psychology 386: Topics in Psychology for Honors (Fall 2014)
- Guest lecture, Psychology Intern Seminar: Psychopathy clinical features and assessment (Spring 2014)
- Subgroup leader, Neuroscience Training Program: Neuroscience and law (Fall 2013)
- Guest lecture, Law 906: Law, Science, and Biotechnology (Spring 2011)
- Guest lecture, Biology 150: Ways of Knowing Biology (Spring 2010)
- Subgroup leader, Neuroscience Training Program: The role of prefrontal cortex in emotion, social behavior, and decision-making (Fall 2010)
- Guest lecture, Psychology 704: Clinical Psychology: Science and Practice (Fall 2009, Spring 2010)
- Guest lecture, Neuroscience 900: Neuroscience Seminar (Fall 2009)
- Instructor, Neuroscience 699: Directed Study in Research (Spring/Fall 2009-present)
- Teaching Assistant, Medical Neuroscience, University of Iowa College of Medicine (Spring 2005/2006)
- Guest lecture, Methods in Neuroscience, University of Iowa Graduate Program in Neuroscience (Fall 2005)
- PEOPLE Program (Summer enrichment for minority H.S. students) Neuroscience Instructor (Summer 2002)

UNIVERSITY SERVICE and OUTREACH

- Chair, Department of Psychiatry Grand Rounds Committee (2017-present)
- School of Medicine and Public Health Mentoring to Achieve Research Independence (MATRIX) Program (2020-present)
- Department of Psychiatry Tenure Track Annual Review Committee (2022-present)
- Department of Psychiatry Mentoring Committee for Tenure-Track Junior Faculty (2019-present)
- Review Panel, Wisconsin Partnership Program, Community Impact Grant Program (2022, 2025)
- Speaker, School of Medicine and Public Health Psychiatry Interest Group (2025)
- Department of Psychiatry Promotion to Professor Committee (2024)
- Speaker, Department of Psychiatry Clinical Adjunct Faculty Update (2024)
- School of Medicine and Public Health Tenure Track Promotions Committee (2020-2023)
- School of Medicine and Public Health Basic Sciences Strategic Plan Implementation Team (2022-2023)
- Affiliate Member, Center for Health Disparities Research (2022-present)
- Department of Psychiatry Post-Tenure Review Committee (2020-2022)
- Speaker at “Engaging Patient/Community Advisory Boards to Support Translational Research” Panel (2022)
- Speaker at Morgridge Center Community Partnerships and Outreach Network meeting

(2022, 2023)

- Department of Psychiatry Research Administration Manager Search Committee (2022)
- Speaker at West Bend High School (2022)
- Review Panel, Wisconsin Partnership Program, New Investigator Program (2021)
- Director, Neuroscience & Public Policy Program (2016-2019)
- Health Sciences IRB Member (2009-2012; 2015-2020)
- School of Medicine and Public Health Clinician Teacher Track Promotions Committee (2015-2018)
- Undergraduate Neurobiology Option Coordinating Committee (2012-2016)
- Neuroscience Training Program Steering Committee Member (2010-2013; 2020-2022)
- Neuroscience Training Program Admissions Committee Member (2009-2012)
- Neuroscience and Public Policy Steering Committee Member (2012-present)
- Faculty advisor, Undergraduate Neuroscience Society (2012-2017)
- Neuroscience Training Program representative, BOPS Preview Weekend (2012, 2013, 2015, 2017)
- Speaker at Wisconsin Science Festival “Ask Me Anything” (2018)
- Speaker at University of Wisconsin Brain Tumor Updates and Advances Conference (2010, 2011, 2015, 2017)
- Reviewer, Skin Disease Research Center Pilot and Feasibility grant program (2017)
- Speaker at Badger Ridge Middle School “Career Day” (2017)
- Speaker at Criminal Justice Club (2015)
- Speaker at Teen Science Café (2015)
- Speaker at Integrating Research Ethics and Scholarship (IRES) panel (2015)
- Speaker at Edgerton High School (2014)
- Speaker at Careers in Bioscience panel (2013)
- Speaker at Madison East High School during “Math Week” (2010, 2012)
- Speaker at UWHC Brain Tumor Support Group (2010)
- Neuroscience Training Program representative, SROP Graduate School Fair (2010)
- Neuroscience Training Program Brain Science Outreach, Oregon Middle School, Oregon, WI (2009)
- National Center on Minority Health and Health Disparities (NCMHD) Summer Youth Initiative Program Tour Guide, Bethesda, MD (2007)
- Editorial Associate, *Clinician’s Research Digest* (2003-2006)
- University of Iowa Neuroscience Admissions Committee Member (2004-2006)
- University of Iowa Brain Awareness Week Committee Member and Presenter (2003, 2004, 2005)
- University of Iowa Neuroscience Seminar Series Committee Member (2004-2006)
- Advisor for Interdisciplinary Summer Undergraduate Research Program student (2003, 2005)
- Student Mentor for Summer Research Opportunity Program (SROP) (2003, 2005)

EDITORIAL BOARDS

- Review Editor, *Frontiers in Human Neuroscience*

ADVISORY BOARDS

- Chair, Institutional Review Board (IRB), Sand Ridge Secure Treatment Center (2025-present)
- Scientific Advisor, National Courts and Sciences Institute (NCSI) (2015-2020)

GRANT REVIEWING

- National Institutes of Health (NIH) Special Emphasis Panel: Understanding Suicide Risk and Protective Factors among Black Youth (2023)
- Netherlands Organization for Scientific Research (NWO) (2014, 2022)
- University of Cyprus (2020)
- Italian Ministry of Health (2018, 2020)
- National Institutes of Health (NIH) Special Emphasis Panel: Human-Animal Interaction Research (2017, 2018, 2019)
- National Science Foundation (NSF) (2015-2019)
- Poland National Science Centre (2019)
- Swiss National Science Foundation (2018)
- National Institutes of Health (NIH) Mental Health Services Research Committee (SERV) study section (2017)
- National Institutes of Health (NIH) Adult Psychopathology and Disorders of Aging (APDA) study section (2017)
- National Institutes of Health (NIH) Special Emphasis Panel: Multi-Site Clinical Trials (2017)
- National Institutes of Health (NIH) Neurotoxicology and Alcohol (NAL) study section (2016)
- German Research Foundation (DFG) (2015)
- Austrian Science Fund (FWF) (2015)
- The Wellcome Trust (2014)

ACADEMIC PROMOTION/TENURE REVIEWING

- Department of Psychology, University of Georgia
- Department of Psychology, University of Alabama
- Department of Neurology, University of Iowa
- School of Academic Psychiatry, King's College London
- Department of Psychology, University of Southern California (USC)
